# Brandee Tenney

CRNP | NP-C | PHMP-S

Brandee Tenney, CRNP, NP-C, PMHNP-S, is a mission driven Nurse Practitioner and clinical leader with experience in family medicine, long-term care, palliative care, and behavioral health. She currently serves as Area Clinical Practice Manager for AlignMed Partners, overseeing advanced practice providers across skilled nursing facilities in Pennsylvania and West Virginia. Her leadership emphasizes transparency, professional growth, and strong partnerships with centers and ownership groups.

Brandee is advancing her training as a Psychiatric Mental Health Nurse Practitioner, expanding her scope to meet the mental health needs of patients across the lifespan. She has a strong interest in psychopharmacology, neurobiology, and evidence-based psychiatric practice, applying these skills to the management of behavioral symptoms in long-term care settings.

Recognized for her dedication to education and mentorship, Brandee received the Clinical Excellence Faculty Member of the Year Award from Carlow University, where she supported the development of future nurses and advanced practice providers.
